**Subject:** Wayne County Hospital / CON

Ms. Mullins,

Please allow this message to convey Wayne County Hospital's strong support for the continuation of CON in the state of KY. WCH also strongly supports KHA's position paper on the subject of CON modifications, changes and updates, and their conclusions within same document.

If I may be of further assistance, feel free to call at your convenience.

Joe Murrell, MHA, FACHE  
CEO Wayne County Hospital  
Monticello, KY
